

FALL 2020 News Page

Greetings Bethel Park Family *by Doris Bilitz*

Last year at this time, who could have imagined that our 2020 Camp Season, as we know it, would be cancelled. It is beyond my imagination. But God knew, and He brought us through. Because of COVID 19, we were able to complete our Waste Management System. We were blessed with volunteers, and I am sure many of you could speak to the goodness of God throughout the season. We do not know what lies ahead, but God does, and He instructs us in His word, what He would have us do. ***“Do not be anxious about anything, but in everything, by prayer and petition and Thanksgiving, present your requests to God.”*** Philippians 4:6. Let us remember this verse as we pray for the 2021 Camp Season. God is in CONTROL.

RESCHEDULED

In response to numerous requests to postpone the AGM and as we continue to be under Emergency Orders with COVID 19, the Board of Directors has decided to reschedule the **AGM to May 22, 2021**. It is anticipated that the emergency orders will remain in place through the winter season. Once the emergency orders have been lifted scheduling an AGM within 120 days is required.

HAPPY Thanksgiving!

We continue to plan on having a service on **Sunday, October 11 at 10:30 a.m.** This could change on short notice, should Provincial Directives require us to consider this. If the weather is good, the service will be outdoors. Potentially we may be able to hold the service in the Chapel with overflow in the Dining Room with appropriate protocols. As has been the tradition for many years, Pastor Guenter Rittmeyer will be the speaker. There will **NOT** be a joint meal and everyone will need to be self-sufficient for their own meal.

PLEASE NOTE: Pre-registration to participate at the Thanksgiving service, due to limited space, and the wearing of mask is required. To pre-register respond to this email and let Ingrid know you plan on attending.

eTransfer

CABIN HOOK UP Taxes/Fees/Donations

Treasury is thankful to cabin owners who have paid the taxes and fees via eTransfer. However, we still need you to send in your completed yellow form this year. The yellow form assists us in confirming that your contact information is current. If your information has not changed from 2019, please email Norma at bookkeeper@bethelpark.ca letting her know there have been no information changes or provide her with an update. **Please Note:** Yes, you can also eTransfer funds for the Waste Management Cabin Hook Up Invoice to bookkeeper@bethelpark.ca.

As we have not had our regular camp services, donations are significantly less than they have been in previous years. Remember you can send your donations electronically by eTransfer, <https://bethelpark.ca/donate/> or by mail. We will also have a special offering at Thanksgiving for the **Waste Management Project**.

Hard to believe that it is time again to look at winterizing our cabin. Please note the following dates:

- **Monday, October 12** – Motel units will no longer be available for washroom and shower usage.
- **Monday, October 26** – Camp water and hydro will be shut off and camp is officially closed for the season.
